REVIEW OF OPINION IN YESTERDAY'S PRESS

Fear of War Has Not Disappeared On 13th Anniversary of World War II

"Davar" (Hizladrut) comments on the 13th anniversary of the Second World War and says that the anti-fascist coalition which defeated Hitler did not hold after 1945, and the fear of war has not disappeared. The Jewish people were the main victims of this war; all the persecutions of 2000 years reached their climax with the murder of the 6,000,000. However the same generation which witnessed this catastrophe also saw the realization of the age-old dream.

Among the unfulfilled obligations resulting from World War II, the paper mentions our moral duty to help the war invalids. Most of them have found work and homes, but a few have not and it must be hoped that the institutions responsible will soon find the means to give them lasting assistance.

"Hahaker" (Gen. Zionists)

"Hahaker" (Gen. Zionists) comments on the situation in the Jerusalem Municipality. The former believes that the late coalition has achieved important successes such as saving the municipal institutions from the conditions of anarchy prevailing in 1948. With the resignation of Mr. Shragai it would be natural, says "Hahaker," that his deputy, Mr. Eliazar, should be made mayor. "Hahaker" on the other hand does not believe that this demand of the General Zionists is justified. The mayor should be, as before, a member of the religious front. The paper opposes at the same time the attempts made by Mr. Kriev, a Mizrahi representative, to get a position which is due to "Agudat Israel" and it criticizes the "Pole Agudat Israel" representative for supporting the Mizrahi claim.

Minister Proposes Festival Committee

A proposal to establish an interdepartmental committee to deal with the travel and local accommodation of foreign participants in any international festival or conference here, was voiced by the Minister of Commerce and Industry, the Tourist Centre. The proposal followed his receipt of the report of the Inquiry Committee into complaints of participants in the recent Jewish International Choir Festival.

The Ministry is also to issue special regulations on the duties and responsibilities of travel agencies in the organization of large-scale group visits to Israel.

The Minister is still studying the report which found all institutions involved in the Festival, including the Government Tourist Centre, responsible for the poor treatment of the visiting choir members.

Anti-Semitism Charged in New U.S. Party

CHAPLAIN, CONNECTICUT, Wednesday (INA).—Charging that anti-Semitism exists as the covert policy of the newly-formed Constitution Party, Mrs. Suzanne S. Stevenson and Mr. Percy L. Graves, Jr., National Chairman and Co-Chairman, respectively, turned in their resignations yesterday. The party was formed in Philadelphia last week with the aim to elect General Douglas MacArthur as President.

In announcing his resignation, the following statement: "The principles of the party as re-written by a few members last week contained the abhorrent idea that we must preserve for Christian heritage that which has been the strength of this nation. I will have no part of any movement which seems to me so steeped in bigotry. Such a declaration sounds to me like anti-Semitism."

Anti-Israel propaganda similar to material circulated recently in the American Legion magazine and in the Egyptian Embassy publication "Egypt" appears here in "Background for Tomorrow," a newsletter issued by Lawrence Griswold. The newsletter portrayed Israel as pro-Communist and questioned the wisdom of sending American arms to Israel.

FEETED—Baptist-Gospel North Africa, Jewish Consensus Guard of the Turkish Brigade in Korea, was held in the American Legion in Tel Aviv yesterday. He will leave for Turkey next week after conducting the "Feet" for the poor in the month.
